

4.2.4.1. Number of teachers in students using library per day over last one year

Average number of students and teachers using library per day over last one year has been calculated by using the entry register maintained in the library for both teachers and students. The sum total of all the entries on all working days for the session 2022-23 has been taken for the calculation.

Total no. of teachers = 24 teachers

Total no. of enrolled students = 824 students

Total no. of teachers used library = 1286

Total no. of students used library = 5669

Total no. of both teachers and students used library = 6955

Total no. of working days for the session 2022-23 = 238 days

Average per day visitors in the library= Total number of teachers and students using library

No. of Days

= 6955

238

=29.22

Percentage per day usage of library = Total number of teachers and students using library per day X 100

Total number of teachers and students

=29.22 X 100

848

=3.45 %
